

No Short Cuts

No Long Cuts, Just Perfect Cuts

PANTHER LS8

PANDUIT introduces the PANTHER™ LS8 Hand-Held Thermal Transfer Printer, with revolutionary label cut-to-length functionality.

PATENT PENDING

- Cut-to-length functionality eliminates label waste and label trimming labor
- Partial cut feature available to provide tear-apart strips of labels
- USB interface for importing data, system upgrades, and printing from a wireless laptop or desktop computer
- Label cassette contains integrated memory device for automatic formatting, recall of last legend used, and number of labels remaining in cassette
- Fast loading label cassette includes both label material and ribbon to make changing labels easy
- Prints self-laminating labels, heat shrink tubing, die-cut component labels and continuous tape
- Large graphic display with backlight for improved visibility

PANDUIT offers a broad range of identification products for electrical and network applications including wire/cable, components, safety and facility identification.
